1. The Standing Committee on the Law of Patents (SCP), at its thirty-fourth session held in a hybrid format from September 26 to 30, 2022, agreed that the information concerning certain aspects of national/regional patent laws, published on the SCP electronic forum website, would be updated based on input received from Member States.

Consequently, the Secretariat updated the SCP electronic forum website, which contains information concerning certain aspects of national/regional patent laws, namely, prior art, novelty, inventive step (non-obviousness), grace period, sufficiency of disclosure, exclusions from patentable subject matter and exceptions and limitations to the rights. The information is available at: [https://www.wipo.int/scp/en/annex\\_ii.html](https://www.wipo.int/scp/en/annex_ii.html).
